Please state in your own words the reason you wish to join the Oak Level Volunteer Fire Department: _____

Attention applicant – You must be a resident of our fire district to join our department. All new applications are presented to the department at the next monthly business meeting after being received. They are then held for one month and are voted on at the following business meeting. All new members are considered "probationary members" for the first 6 months. This is to insure that they fulfill their training and other requirements to become an active member. Once the 6 month period is up, you are then voted in (assuming requirements have been met) as a regular member of our department. We accept applications for "Junior" members - ages 16 and 17 (a parent consent form is also required) and for "Regular" members - ages 18 and above. Non-Refundable dues of \$10.00 per year are due on the night you are voted in as a probationary member. Dues are due again at the regular business meeting in November for the following year.
